

Izmir University of Economics
Macroeconomic Theory (ECON 202)
Summer School 2007

Essay Project:
Uncovering Main Characteristics of Turkish Economy

Your project is about writing an at least 5-page essay (excluding graphs, tables, etc.) on a topic related to Turkish macroeconomics.

The following is a list of topics that you may choose, though not exhaustive. You are free to select another topic with the consent of lecturer. Deadline for delivering projects is 6th of August, sharp. You may ask help from course-assistants for how to write an essay.
